## PICK YOUR PATH

### SUMMER

#### Hiking

Yellowstone National Park (and beyond) is home to endless hikes for every level. A local favorite is Riverside Trail that starts from our West entrance and follows along a meandering river. Snag picnic tables at the Madison River for a unique lunch spot.

#### Biking

With the Continental Divide and TransAmerica Trails running straight through town, you'll be able to spin your wheels for days. Plus, bikers can enjoy the solitude of cycle-only days at Yellowstone National Park in the spring before it opens to vehicles.

#### Fishing

Cast a line at Hebgen Lake where you'll be hooked on the rainbow, brown, and cutthroat trout catches averaging 15-20 inches.

#### Boating / Kayaking / Canoeing

Between nearby Yellowstone and Hebgen Lakes, you can glide through open, pristine waters and gaze wondrously at loads of wildlife.

### WINTER

#### Nordic Skiing

Strap in for 50km of groomed Nordic ski trails. A challenging climb, the Rendezvous Ski Trail rewards adventurers with breathtaking views. For those barking to bring a four-legged friend, Boundary Ski and Snowshoe Trail is pet-approved.

#### Snowmobile

Rev your engine on over 400 miles of snowmobile trails that start in town and venture into Custer-Gallatin, Beaverhead, and Targhee National forests.

#### Snowcoach Tours

If you prefer to take in winter adventure from the warmth of a terrain-ready vehicle, load up, sit back, and enjoy the scenic views.

#### Dog Sledding

Glide through the forest while you soak in the aroma of fragrant pines and feel the crisp mountain air on your face. All while warmly snuggled under a blanket.
